Prayer*

Father, I thank you that YOUR will is what I now want and desire for my life.

I thank you that from my Mother's womb you created me to be a WIFE and a helpmate. I dismantle my will and my past and I FULLY submit to the person you created for me. I thank you that as I prepare, plan and stay in position that he will find me QUICKLY so that

together we can carry out our assignments as individuals and as ONE.

Thank you Father, that THIS IS THE YEAR THAT I WILL BECOME A WIFE!

In Jesus Name, Amen!
